EAGLE PASS INDEPENDENT SCHOOL DISTRICT

J. I. JAMES, Superintendent

EAGLE PASS, TEXAS

Ofelia Martine
Secretary

In December 1954, President Eisenhower appointed a 34-member committee for the White House Conference on Education and charged it with responsibilities in carrying out "the most thorough, widespread, and concerted study the American people have ever made of their educational problems". All fifty-three states and territories took part in the program. More than a half-million American people were directly involved with these studies of school needs.

From the work of the Committee for the White House Conference on Education, one fundamental fact emerges: Schools now affect the welfare of the United States more than ever before in history. Ignorance is a far greater handicap to an individual than it was a generation ago, and an uneducated populace is a greater handicap to a nation. As long as good schools are available, a man is not frozen at any level of our economy, nor is his son. Schools free men to rise to the level of their natural abilities.

Each of you must pay heed to these expressions voiced by some of the greatest men of our time. Your opportunities are here. Do not fail them.

Sincerely yours,

J. I. James
Superintendent

To the Students and Graduates of 1956:

On one occasion Aristotle was asked how much educated men were superior to those uneducated. "As much," said he, "as the living are to the dead."

The spirit of adventure and discovery is encompassed in the process of learning; on the other hand, the mind can be fettered as a slave with a chain through slothfulness. The horizon is limited only by your readiness to act and think. You ..... can be just as you will.

Sincerely yours,

C.A. Landrum, Principal

LARGEST CROWD IN EAGLE PASS HISTORY ATTENDS SENIOR PROM

Gustavo Rubio Caballero and his orchestra provided real cool music at the annual Senior Prom, High School Auditorium, May 18th for the largest Prom crowd in Eagle Pass history. An air of the Islands hovered over the dancers as a blue crepe paper Hawaiian sky twinkled with stars. Palm trees, coconuts, flowers, fish nets and other tropical decor whispered aloha, and the dancers refreshed themselves at the Hawaiian punch bowl.

EAGLES COP 29-AA TITLE

For the first time in twelve years, the Eagles won the district 29-AA football championship, defeating Crystal City, Laredo, Edgewood, San Felipe, Sidney Lanier, South San Antonio, Del Rio and Junction. They were defeated in pre-district play by Carrizo Springs, and in the bi-district play-off by Floresville. In district play, they were tied by Uvalde.

The Eagles were sparked by the ground-gaining runs of Chief Rodriguez and the hard hitting plunges of Morris Barrow. The excellent quarterbacking was done by Jimmy Turnbow and Frank Chisum. Carlos Roman stepped in for Chisum when he was injured.

The hard hitting line was led by Enrique Ibarra, Allan DeWald and Jimmie Johnson.

All-District honors went to four players, Perry Cox, Jimmy Turnbow, Chief Rodriguez and Enrique Ibarra.

The Eagles scored 242 points to their opponents 112:

CAGERS THIRD IN DISTRICT

Opening the season with a 60-20 victory over Carrizo Springs, the Eagle Pass cagers impressed the spectators with a win in the face of overwhelming odds. With three returning starters, Eddie Jones, Bobby Slaughter, and Perry Cox, pounding the hardwoods, Coach Ernest was able to form a hard working team.

The Eagles again tried to capture the district title, but after 10 wins and 9 losses, they wound up in third in the district.

High scorers for the Eagles were Eddie Jones, Perry Cox, and Sergio Cerna. Eddie Jones was selected for the first All-District team and Perry Cox for the second.

EAGLES WIN FIVE

During the 55-56 season the hustling young Eagles won five and lost eight. The one home run of the season was hit by Enrique Gomez, Jimmy Johnson was a very aggressive backstop catching every game. The four leading hitters wound up with Cortez hitting 355, Cardenas 265, Gomez 200, and Flores 200. The key-stone positions were well covered by Flores and Gomez making several good double plays. The Eagles will lose Johnson, Cortez, and Gomez next season.

The mile relay team took first, with Rodriguez pacing to a winning 440, Mancha out front in the mile and the sprint medley relay, Mancha, Turnbow, Rodriguez and Chisum, racking up another first. Manuel Frausto won second in the 880 hurdles, with Mendoza coming in third.

April 7, 1956, at the District Meet, sparked by Turnbow who won the 220 and 100 dashes, Eagle Pass placed Second in the district. Seven men were eligible for regional. Nicolas Mancha, Billy Hester, Jimmy Turnbow, "Chief" Rodriguez, Jesus Mendoza and Frank Chisum all took honors at the Regional Track meet in San Marcos, April 21, 1956. Four of these, Frank, Jesus, Jimmy and "Chief" raced to a breathless finish in a new regional record time of 3:30.5 in the mile relay. Nicolas ground to first in the grueling mile, Billy tied for second in the pole vault, Bobby Slaughter tied for third on pole vault and Jimmy took fourth in the 220.

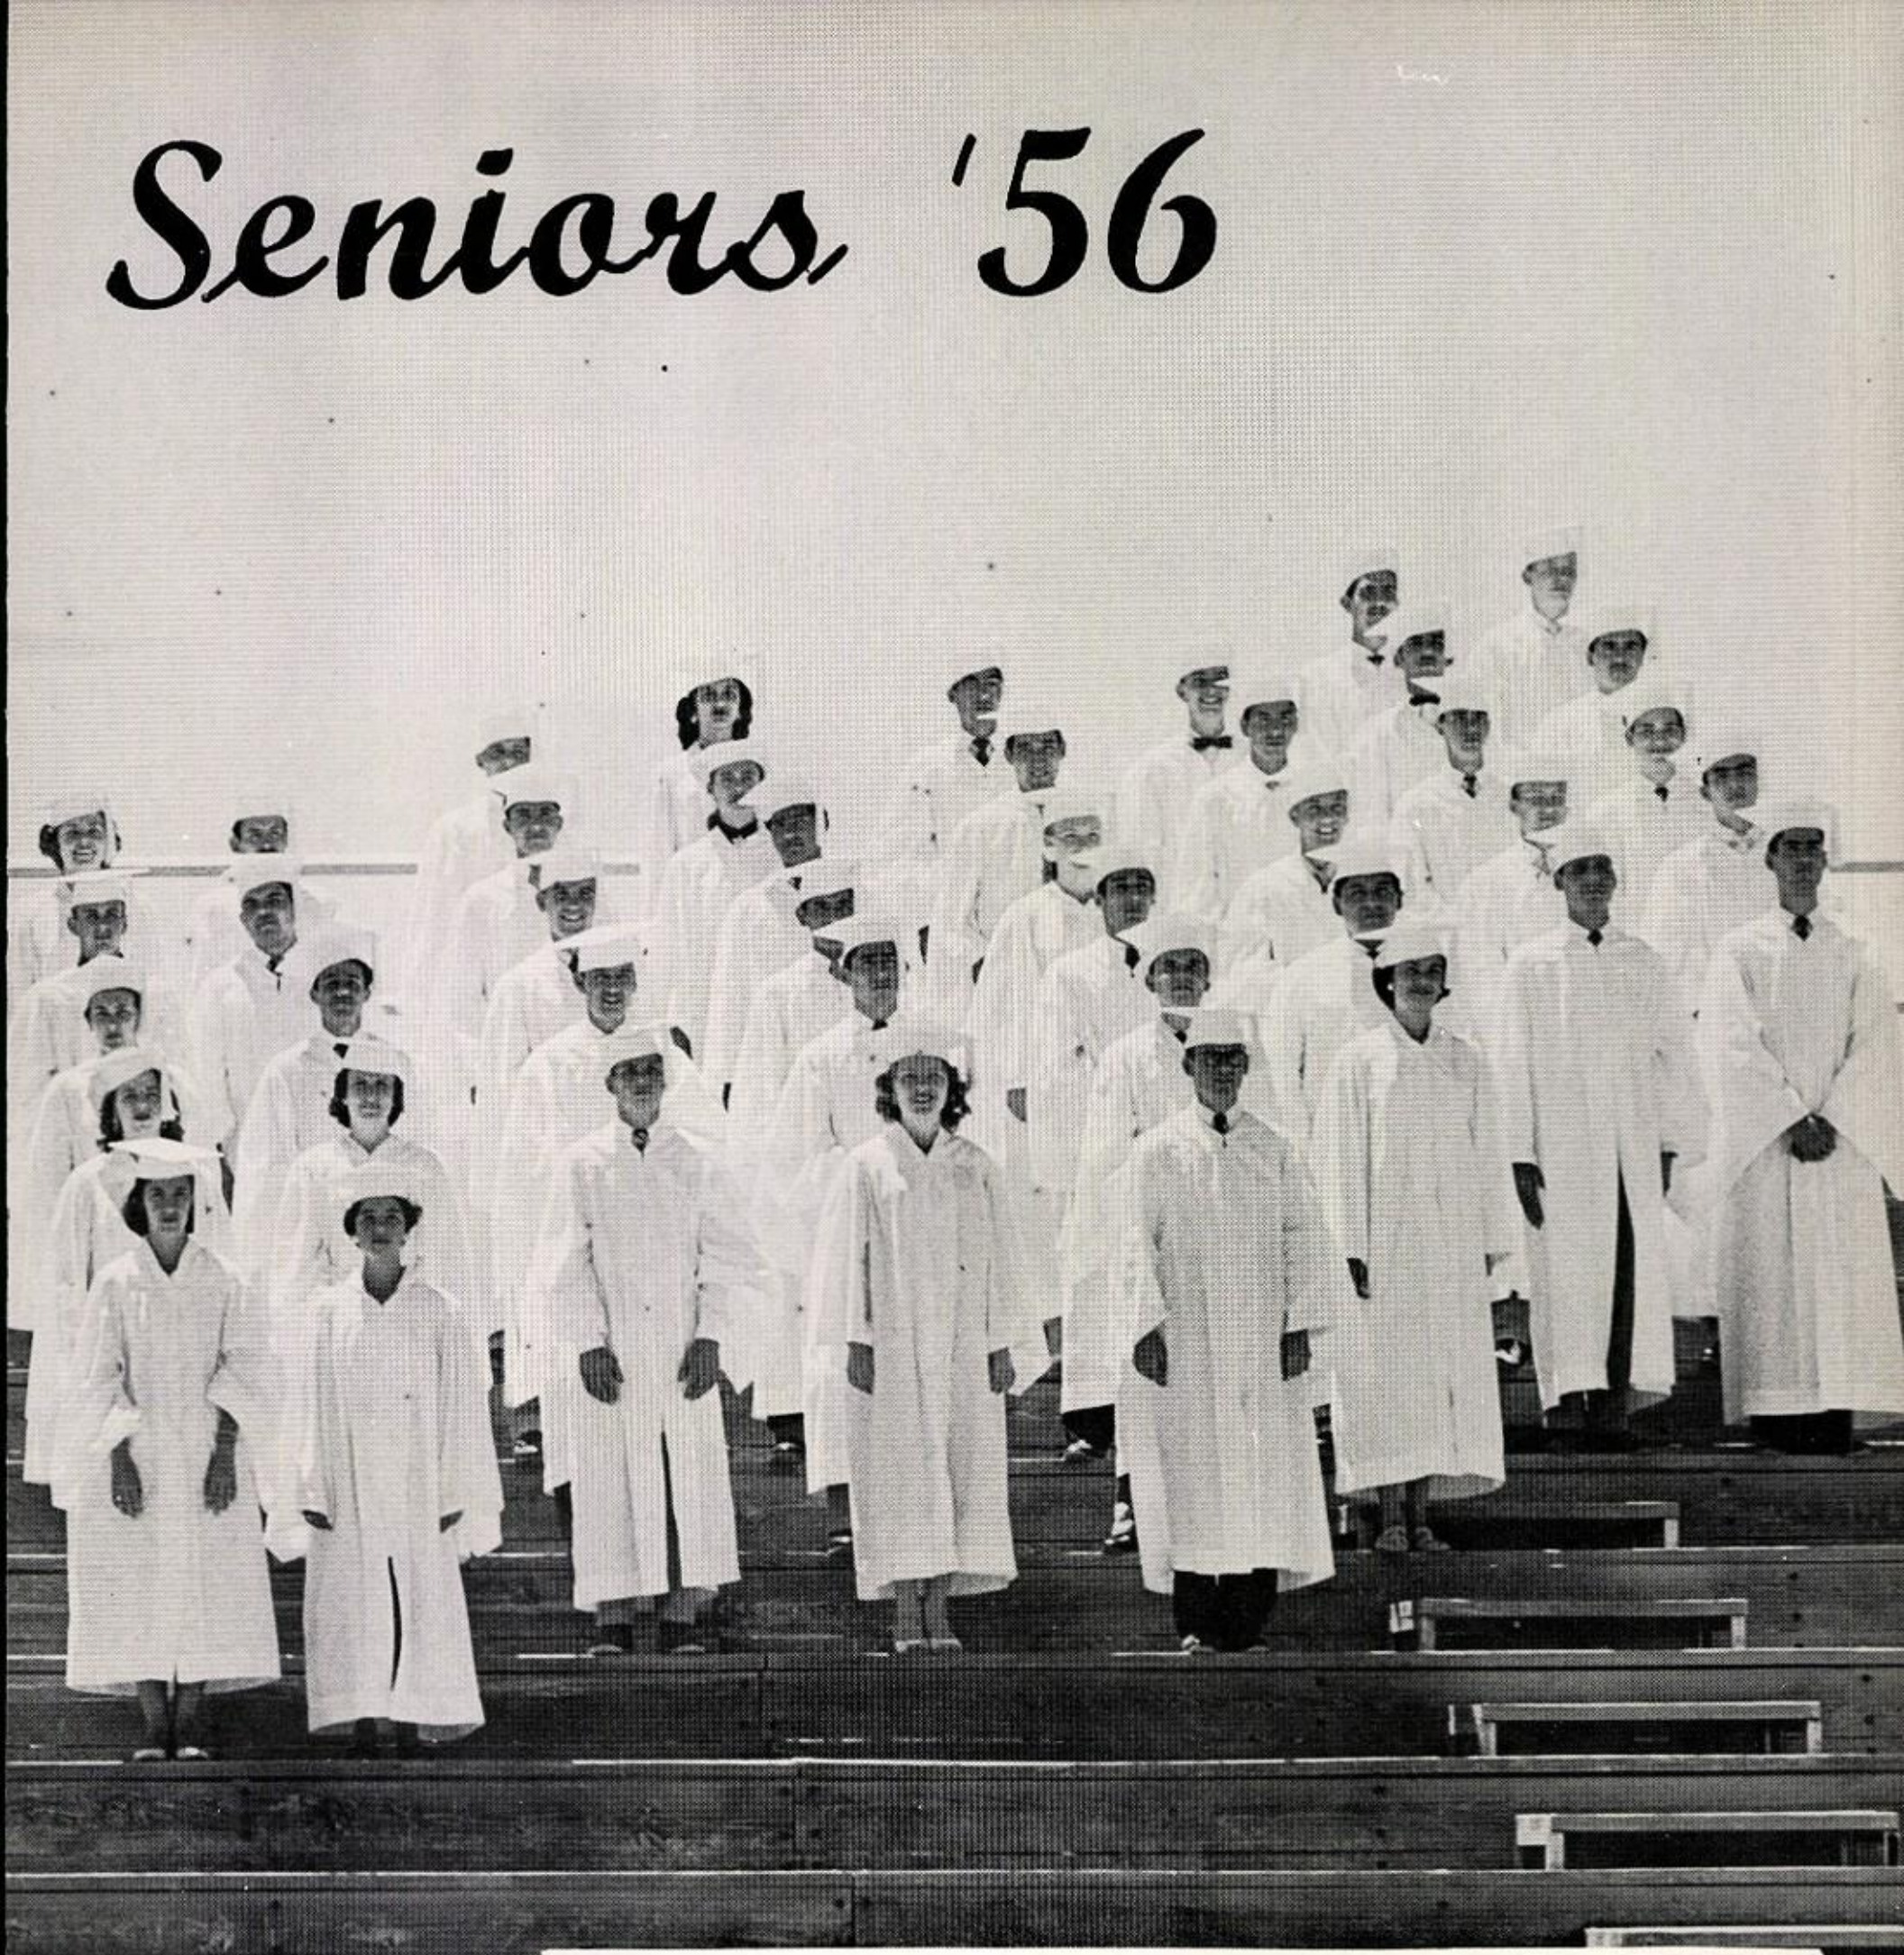
Seniors '56



The Seniors of '56 started the year off with a bang by accepting the challenge of the Juniors to compete in collecting relief supplies for the victims of the Tampico Flood. They tied the Juniors for first place in the drive. Two of the After-Game dances were sponsored by the Seniors and in October they held their annual Hallowe'en Carnival. Seniorama, the Senior Talent show, was presented February 24th, and brought in most of the profits. In April, the Seniors presented one of the school's finest senior plays, "Gaslight" by Patrick Hamilton, directed by Jack V. Priest. The final frantic week before a last farewell was ushered in by the Senior Prom, May 18th and Baccalaureate Services May 20th. The piece de resistance, Graduation, held May 25th, at 8:00 P. M. on the football field under a full moon, was attended by a record crowd of parents, faculty, friends and well-wishers.

The J. J. Newberry Co. was pleased during 1955 and 1956 to have had an opportunity to further its policy of full community cooperation by sharing in the Eagle Pass High School Distributive Education Program, and employing and training so many high school students, some of whom are pictured here.

We are pleased too that so many students find our place a popular place to gather, and our modern air-conditioned store a good place to shop. Congratulations especially to the class of '56.
